Dear Friends and Family,

I am very proud to let you know that I have been selected as a member of the Bushwackers Drum & Bugle Corps, a 501c3 Not-For-Profit Organization. I have made it through the audition phase, and have started rehearsals in preparation for our competitive season, beginning in Late June and continuing until the Drum Corps Associates World Championships on Labor Day Weekend. It is a true privilege to be a member of such a prestigious performance ensemble.

If you are not familiar with our group and the activity of Drum & Bugle Corps, allow me a minute to tell you about it. The Bushwackers were founded in 1981, and are 6-time World Champions. The corps is a family of people that range in age from 13 to 60 years. While most members and competitions are based in the North East and Mid-Atlantic Region, we have had members travel here from all over the US and Canada, plus the UK, Germany and Japan.

Being part of such a group does not come for free, and that is one of the reasons I'm writing you today. Each member of the Drum Corps is required to raise \$1200 for membership fees. These fees cover rehearsal facilities, food, transportation & housing, instruction, uniforms, equipment and other operating costs.

I would appreciate any assistance you could provide. This is an opportunity unmatched by any other. You can visit our website at [Bushwackers.org](http://Bushwackers.org) to find the locations of our performances in your area throughout the summer. We encourage everyone to come and enjoy the friendly family atmosphere and amazing music and marching that is The Bushwackers.

I just wanted to take this time to thank you for your support, and let you know I hope to see you at a performance this summer.

Sincerely,

Bushwacker Member
